Dear Friend,

If you have known me for any length of time, you know that I bring my whole heart, energy, and experience to whatever the Lord places before me. Today I want to share an endeavor that brings together 32 years of church service, more than 28 years of leadership in business, and a lifetime of travel and relationship-building: **Hope Sojourns**.

Hope Sojourns brings willing people alongside trusted local ministries to meet practical needs on the ground. Our participants listen, learn, encourage, and share the love of God with those in need. This is not mission tourism. Each journey begins with consideration for how to best support the priorities of people already serving their communities. We prepare teams to arrive with humility, serve under local leadership, and carry what they learn into a lifetime of faithful service.

This vision is already taking shape. A 2027 Athens journey will build on mission trips completed in 2025 and 2026. These participants will be serving alongside ministries caring for people experiencing homelessness, displacement, and exploitation. We are also helping develop six Mexico City mission opportunities starting in January of 2027, including collaboration with Metro Relief of Dallas and its trusted sister ministry serving neighbors experiencing homelessness. Additional opportunities include Belize - Nice, France - Kenya - Harriet, Arkansas - and more.

To build Hope Sojourns responsibly, I need partners who believe in this calling. Your partnership will provide for the development of trustworthy teams of missionaries, interns, and training resources to support those who need help in serving the most vulnerable.

Would you prayerfully consider making a one-time gift or becoming a monthly supporter at any level? We are committed to honest administration and clear stewardship of every gift.
